

In Loving Memory of

Maree Annette Anderson

20.1.1946 - 2.6.2021

A Mother

The most important person on earth is a mother:
She cannot claim the honour of having built Notre
Dame Cathedral. She need not. She has built
something more magnificent than any cathedral, a
dwelling for an immortal soul,
the tiny perfection of her baby's body.

The angels have not been blessed with such a grace.
They cannot share in God's creative miracle to bring
new saints to heaven. Only a human mother can.
Mothers are closer to God, the Creator, than any
other creature. God joins force with mothers in
preforming the act of creation... What on God's earth
is more glorious than this: To be a Mother?
Thank God.
