**Poem:** Our Mother's Garden (Author Unknown)

Our Mother kept a garden.  
A garden of the heart;  
She planted all the good things,  
That gave our life their start.  
She turned us to the sunshine,  
And encouraged us to dream:  
Fostering and nurturing  
The seeds of self-esteem.  
And when the winds and rains came,  
She protected us enough;  
But not too much, because she knew  
We would stand up strong and tough.  
Her constant good example,  
Always taught us right from wrong;

Markers of our pathway,  
That will last a lifetime long.  
We are our Mother's garden,  
We are her legacy.  
Thankyou Mum, we love you,  
For all eternity.
