Funeral Invoices

A preliminary invoice will be issued at the time of the funeral arrangement.

This invoice will include all costs that can be determined at that time.

The preliminary invoice must be paid two business days prior to the date of the funeral.

As there may be some charges that are not known at the time of the arrangement, a final invoice will be issued within 7 days after the funeral service.

This invoice must be paid within 7 days of the issue date.

Our funeral service costs are allocated to one of three categories:

1. Professional Fee: Our professional fee incorporates the various aspects that are involved in arranging, planning and conducting a funeral.

The professional fee is determined by the type of service you select.

2. Required Costs: Required costs are those which are necessary in order to conduct a funeral service.

3. Third Party and Optional Extras Costs: Costs paid out by H & A Funerals on your behalf in arranging the service in accordance with your instructions, such as: Floral Tributes, Newspaper Notices, Clergy or Celebrant Fees, Service Booklets, Live-streaming, Slideshow, Refreshments, Church/Chapel Fees.

As it is not possible to anticipate or estimate the individual requests and requirements of all families, there may be instances where it is appropriate for fees not specifically listed in this brochure to be charged

If you would like a more accurate estimate of cost or to speak to one of our experienced and dedicated staff, please contact our office via phone on 03 5672 1074 or via email at info@handafunerals.com.au
